

Bethlehem Carol lyrics

Chorus

(we're going to)
Bethlehem, Bethlehem,
Bethlehem, oh... Bethlehem

1.

In just one night, the world was changed,
In David's town, as God arranged.
The virgin had, a baby boy.
He came so we, could share his joy.

2.

The angel came, in dead of night,
The shepherds saw, the glory bright.
He brought good news, he brought great joy,
That Satan's power, could never destroy.

3.

So don't be afraid, no do not fear,
Because Messiah, yes He is here.
The heavenly host, they came along,
And with the angel, they sang this song.

4.

Now Glory be, to God above,
Who sent his Son, to show his love.
And on earth peace, be to all men,
All praise to him, in the highest heaven.
